**Mother and wife, Frankie Callahan, is at the end of her rope!**

Her marriage is in disarray, her teenage daughter blames her for anything and everything, oh, and her best friend is dead. To top it all off, her kitchen remodel has been going on for way too long. To say the least, Frankie's life is not what she thought it would be. Unbeknownst to her, things are about to change, and fast, because Frankie has goddesses all around her. These goddesses aren't your typical Greek or Roman variety...they're specialists, fixers and they love playing with Frankie's mind (*and her designer shoe collection*). These expressive goddesses will do everything they can to help Frankie clean up her past, renew her strength, and maybe even revive her long forgotten dreams. Will Frankie find the courage within to listen to her goddesses, or will she continue to live the life she never wanted? Find out in this funny, warm and relatable tale of a woman trying to hold on to her sanity in an insane world.
