The League of Hard Heroes – a team of super-powered men from all over the galaxy using their mighty abilities to save the thirtieth century from evil! These are the tales of what these fit young heroes get up to when they're NOT fighting the forces of darkness. Having super-powers opens up a lot of interesting possibilities for fun if you've got a willing friend...

Jim Allen – better known as the size-changing colossus Giant Boy – has had a longtime crush on his fellow hero, the multi-powered Von-Del. Jim has always felt shy and awkward around the beautiful, perfect Von, but when Jim gets stuck at giant size, his super-powerful teammate comes up with some interesting ways to take Jim's mind off of his big, big problem.

Warning: This 5,000 word story contains explicit gay male sex between consenting super-heroes from the future.
