Prisms From Light To Dark: Impressions, Thoughts, and Pictures M J Albert

I've put together photographs with poems here. The photos, and most of the poetry, were created on Success Road in Milan NH, where much of my family grew up. Other than one photo, the rest are either mine or taken by a very good friend of mine and used here with her permission. I hope more than a few of these pictures and words stir something in you, the reader, and so make our efforts, and your time, worthwhile.
