In the fifth book, Scaredy Squirrel plans his own birthday and surprise!... things get very crowded.

Scaredy Squirrel is planning his own birthday party for one - but despite his detailed plans, things get out of control when the party animals arrive.

He's back! Scaredy Squirrel, the loveable worrywart, returns for another nutty adventure. Scaredy never plans big birthday parties. He'd rather celebrate alone quietly in the safety of his nut tree and avoid those pesky party animals (ants, clownfish, ponies and Bigfoot). When all his excessive plans are thrown up in the air like confetti, will Scaredy play dead and cancel? Or will he face the music?

Jamie Ault:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Scaredy Squirrel Has a Birthday Party can make you experience more interested to read.
