## **Shameless** Paul Burston

Martin is kind, decent, not bad on the eyes... and look where that's got him. His boyfriend of four years has run off with a male prostitute, and his friends John and Caroline both have enough excess baggage to fill a Louis Vuitton window display. What's a nice gay man to do? With no one to turn to, Martin decides to relive the wild youth he never had and, at the ripe old age of 32, jumps head-first into hedonism. But soon the nights of drugs, muscle-hard bodies, and even harder music take their toll, and Martin, John, and Caroline find that as fun as being absolutely shameless is (and girl, can it be fun!), it also has a price, one which they may not ultimately be able to pay.
