Cowboy's Mail Order Bride

I was alone in the world. My no good, drunk of a husband had made my life a living hell for so long that now that he's gone, I almost don't know what to do with myself. That is until I realize that he left me with a pile of debts and the prospect of being ruined, maybe even going to debtor's prison, or ending up on the streets, homeless and begging, or worse.

That's when I meet Augustus Wilder, the richest man in the west, and he makes me an offer I can't refuse. Marry his disreputable son, or have my worst fears become a reality. Little did I know that his son, Luke Wilder, was exactly who I needed.

Renegade's Bride

It's 1853, and the California gold rush has officially taken the west by storm. Unfortunately for Charlotte McCain, her husband is just one of those who has come down with a case of what they call gold fever. After she discovers that she is pregnant, Charlotte determines to head out west and bring her wayward husband home any way she has to, including tying him up and dragging him all the way across California to do it.
