Angry Birds: Hatching a Universe Danny Graydon

In the space of just a few years, *Angry Birds* has gone from being a beloved mobile game to an entire universe of entertainment that spans an astonishing range of media. From animation to publishing and even an upcoming feature film, the *Angry Birds* experience is becoming even more diverse and dynamic.

For the first time, *Angry Birds: Hatching a Universe* takes you inside the creative process that has driven this boundless expansion and showcases the remarkable art being the *Angry Birds* phenomenon. Featuring interviews with the key players at Rovio - the Finnish company behind the game - *Angry Birds: Hatching a Universe* tells the make-or-break story of its initial success and the continued innovation that has led to unforgettable collaborations with institutions such as NASA, and the creation of ground-breaking games like *Angry Birds Space*.

Filled with never-before-seen sketches, concept art, and other visual treasures, along with in-depth insights into the creation of each aspect of the *Angry Birds* universe, this book is a revelatory look at the genesis of a true multimedia sensation.
