## **Eyes at the Window** Evie Miller

This historical novel, literary and engaging, examines a close-knit community of Amish pioneers over several decades (right up to the eve of the American Civil War). Employing eight different voices, Miller unpeels the cohesions and tensions as settlers move west while others stay behind. Beneath the surface but never quite forgotten is the unsolved murder of an Amish baby (based on a true incident). This is a story of judgment and misplaced responsibility, of attempts at love and forgiveness, and finally of grace despite unspeakable loss. It is told lyrically from within this often-idealized but sometimes scarred human community. An unforgettable story.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
