I Believe: Multiple Faiths Within The Collective Consciousness Andrew J Jones

In I BELIEVE, Andrew J Jones examines 'The Meaning of Life'. Why are we here? Who are we? Where do we go when we physically die or pass over? Is there an afterlife? Why doesn't God intervene in humanity's troubles? Is there a God? Andrew J Jones attempts to answer these questions through multiple essays, poetry, and alternative spiritual prayers. Once again, he has called upon certain individuals from the collective consciousness; people from all walks of life give their contributing thoughts, with different views and religions, different cultural expressions – all giving their say on what life means to them as an individual aspect of the whole.
