But can Beauty accept Beast? Eternity is a long time. Now for the first time in paperback, *Roses* is sure to capture your heart as you fall in love with Beauty and her Beast all over again.

For readers 12+, this is a very imaginative, fantasy retelling of a classic fairy tale, which is still popular to the YA genre. With lessons about bullying others and falling in love, this is not only a light, fun read but also engages kids to think about their relationship to others in the real world.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
