When Jim Sinclair and two college friends synthesize a million doses of LSD as a means of financing a post-graduation road trip across country and living expenses for their first few years on their own, they had no idea of the nightmare they would unleash. In a 'down the rabbit hole' experience worthy of Alice in Wonderland, the boys' journey becomes ever more bizarre as they run afoul of the police, violent biker gangs, rogue federal agents and a mysterious clutch of powerful men who seem to guide events toward an unknown and frightening climax. *Synthesis: Legion of Stateside Delusions* is a strange, twisted tale not to be missed by lovers of adventure and mystery.
