"The Complete Idiot's Guide(R) to Aquaponic Gardening" is a comprehensive guide to aquaponic gardening, from choosing a setup to selecting fish and vegetables. In addition to everything one needs to know to run a healthy aquaponic garden and care for both the vegetables and fish, there are step-by step plans with photos for building different size systems. The expert author fully explains how to garden indoors and how to resize and move a garden inside or outside, depending on the season, to produce an abundant supply of edible, organically-raised vegetables and fish.
