## **The Nightmare of a Five Year Old** Neil James Westra

At the young age of seventy-nine years old, and with very limited education, he wrote this; his first book ever. This book tells about how at the age of seven he was put in a jail cell for several months in the basement of the juvenile home, and two brothers and two sisters were all adopted-out at that time. He and two other sisters were 'unadoptable' These children were separated for fifty years, lacking one week. Some of their tracks crossed, but they were unable to recognize it at the time. This is a true story.
