The Real High School Handbook: How to Survive, Thrive, and Prepare for What's Next Susan Abel Lieberman

Getting through high school and deciding what will come next can be a confusing process for teenagers. Unfortunately, counselors and administrators are often too busy to give students the individual attention they need to get the most out of the experience. The Real High School Handbook empowers students with practical information and real-life stories - about courses, grades, testing, communicating with teachers, and postgraduation options - essential to making informed decisions about their high school careers.
