Just as the best coaches remind their players to practice the basics of their sport, Christian couples need to be reminded regularly of the basics of a Christian marriage. In a clear, down-to-earth style, Martha Peace and John Crotts provide these reminders through short chapters that couples can read, study, and pray over together.

The authors have broken down nineteen areas of marriage, summing up the Bible's teaching and offering a series of penetrating questions to help readers take inventory of themselves and their marriage. Each section ends with two recommended resources for readers who want to dig deeper in a particular area.
