I wonder if God had Big Mama to show everybody what it meant to “bring up a child in the way he should go”? I was very much a she, but the Bible said he and she applied it to me—real good. She must have repeated that scripture over and over again. And just as many times, she used “Spare the rod, spoil the child”. She also said, faith without action is dead, and all you need is faith the size of a grain of mustard seed. I think maybe God gave her a new one that wasn’t in the Bible, one about faith the size of a peach tree switch. She practiced that one a lot! Seems like the air would sing a whipping song while that tree limb came through toward my behind. Ouch Big Mama, OUCH!
