## **Mission: Malibu** Tor Richardson

In a world of corporate excess, a young accountant loses his job when his company goes bankrupt. When people need answers, he's back at work for a different boss... a stunning brunette who pays him a lot of money to dig up secrets. The catch? She thinks someone stole billions and will kill to keep those secrets. That's crazy, though. That sort of thing just doesn't happen in Malibu.

Tor Richardson, author of "Starting Over" and "My Name is Sue!" creates a thrilling trip through the world of big-business bankruptcy, where the single stroke of a pen can win millions, but the price of a single bullet can bring it all down. With a rich cast and suspenseful action, "Mission: Malibu" is a wonderful--and hopefully fictitious--look at the next crisis to cripple the nation.
