El sol, la luna y el agua (Spanish Edition) Laura Herrera

El Sol y la Luna van siempre a jugar a la casa del agua. ¿Cuándo irá el Agua a la casa de sus amigos? ¿Qué sucederá cuando vaya a visitarlos? El Sol, la Luna y el Agua es un cuento popular del folclore nigeriano que ha sido traducido y publicado en muchas lenguas. Esta versión incluye unos versos a los que se les puede poner música, porque dicen los cuentacuentos de Nigeria que una historia siempre queda mejor si se le suman cantos, ritmos y bailes. According to this Nigerian legend, many, many years ago, the Sun and the Moon lived on the earth. Children will love seeing how they ended up living in the sky.
