Hand Drawn Halifax: The Colouring Book Emma FitzGerald

Emma FitzGerald's 2015 book *Hand Drawn Halifax* was an immediate hit in Halifax. Emma's appealing sketches of the city's neighbourhoods and her obvious appreciation of the diversity of the city in her notes on her experiences as she drew won her many fans. At events and signings, Emma offered printouts of line drawing versions of a few of the book's illustrations, which were eagerly accepted.

Out of that experience comes this book -- a collection of 80 line drawings for colouring book fans, including brand new drawings. There's an opportunity for everyone to produce their own versions of Emma's portraits of Halifax's buildings, places and people. Printed on thick paper selected to prevent bleedthrough, the 80+ illustrations vary in intricacy, giving options to colour-inners of all ages!
