## **Mark Twain (Critical Insights)** R. Kent Rasmussen

This volume collects a variety of new, classic, and contemporary essays on Twain's life and works. The introduction offers a reflection on the author's enduring popularity and praises Twain's skillful re-creation of an authentic American vernacular in "Jim Smiley and His Jumping Frog" and *Huckleberry Finn*. Other essays offer an analysis of two of Twain's travel books, *Innocents Abroad* and *Roughing It*, a discussion of the darker side of *The Adventures of Tom Sawyer*, and a three-part discussion of structure, themes, humor, and the treatment of race in *Huckleberry Finn*.
