PARIS NIGHTS MY YEAR AT THE MOULIN ROUGE

A memoir by the critically acclaimed actor Cliff Simon.

Paris Nights, the memoir of a South African soldier turned performer in the world's most famous cabaret, delivers in a hugely entertaining way. He writes of Paris as no one has done before, the after-dark city of night clubs, dance groupies, street fights, and shady characters. His is a truly singular story, and it's told with humor, swagger, and absolute honesty." --Marcia DeSanctis, author of *100 Places in France Ever Woman Should Go*

Little did Cliff Simon know that a single phone call and a one-way ticket to Paris would ultimately change his life forever. Now the acclaimed television and film actor shares his journey from Johannesburg to the Moulin Rouge to Hollywood in his debut memoir, *Paris Nights: My Year at the Moulin Rouge*. From a young age Cliff Simon knew he was headed towards big places. Having grown up as both a skilled gymnast and a competitive swimmer, performance was in his blood. But with the onset of Apartheid and the looming threat of war, he and his Jewish family soon retreated from Johannesburg, South Africa to the London countryside. Before he knew it, he joined the British swim team and was near Olympics-bound with a full-ride offer to a United States university. But something wasn't quite right. Instead, Cliff returned home and enlisted in the South African Air Force. Cliff's habit of impulsive risk-taking would continue but ultimately pave the foundation for an experience most of us would only dream of.

After he was honorably discharged, twenty-seven-year-old Cliff worked a series of odd jobs at a resort near the Indian Ocean until he received a phone call from an old friend inviting him to join him at the iconic Moulin Rouge. Here begins the story of Cliff's meteoric rise at the Moulin from swing dancer to principal in the glamour filled show, *Formidable*; his offstage encounters with street thugs and diamond smugglers; and the long nights filled with after parties and his pick of gorgeous women. Encounter the magic, the mayhem, and the glory that was and still is the Moulin Rouge.

From reader reviews:

Gloria Robey:

Reading a book tends to be new life style within this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write with their book. One of them is this Paris Nights: My Year at the Moulin Rouge.

Jeanne Linder:

Exactly why? Because this Paris Nights: My Year at the Moulin Rouge is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will jolt you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such awesome way makes the content on the inside easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your talent and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the publication store hurriedly.

Bethany Christiansen:

Many people spending their time frame by playing outside together with friends, fun activity with family or just watching TV all day every day. You can have new activity to enjoy your whole day by examining a book. Ugh, do you consider reading a book really can hard because you have to take the book everywhere? It all right you can have the e-book, bringing everywhere you want in your Smartphone. Like Paris Nights: My Year at the Moulin Rouge which is finding the e-book version. So , why not try out this book? Let's notice.

James Robinson:

Within this era which is the greater individual or who has ability in doing something more are more valuable than other. Do you want to become certainly one of it? It is just simple solution to have that. What you have to do is just spending your time almost no but quite enough to enjoy a look at some books. One of several books in the top list in your reading list is definitely Paris Nights: My Year at the Moulin Rouge. This book which is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upward and review this book you can get many advantages.
