Moira St. Clair has done exactly what her father forbade her to do: chased her dreams to sing on the stage. But even as her star rises, she becomes more vulnerable to those who wish to use her—or bring her down....

It is 1886, and the St. Clairs are living out their dreams in three very separate parts of the world—Paris, Brazil and Colorado. And while each has found a measure of success and joy, each is haunted by past sins and secrets.

Once home in Colorado, the St. Clairs struggle to learn what it means to sing praise to God—even in the face of tremendous loss—and trust Him in all things, even when forced to fight for their very lives.
