**In his final 3 stories, Lord Peter confronts the greatest mystery of all—fatherhood**

For decades, Lord Peter Wimsey has made life tough for England's criminal class. In town and country he solved some of the most baffling mysteries of the Jazz Age, facing down killers armed only with wit, charm, and a keen nose for deception. His work brought him 1 great reward: the love of beautiful mystery novelist Harriet Vane. After years of pleading, he has finally convinced her to marry him. Now the real adventure begins.

In the final 3 Wimsey stories, Lord Peter confronts land barons, killers, and the terror that comes from raising 3 young sons. Through it all, his clear thinking never fails him, and he solves these last puzzles as successfully as he did his 1st. He may be a family man now, but like good wine, a great detective only gets better with age.

*Striding Folly* is the 15th book in the Lord Peter Wimsey Mysteries, but you may enjoy the series by reading the books in any order.

This ebook features an illustrated biography of Dorothy L. Sayers including rare images from the Marion E. Wade Center at Wheaton College.
