The Summer Escape: An uplifting romantic summer read Lily Graham

It's always summer on the island of Crete.

After losing her fiancé, **Ria's** life has been at a standstill. So nobody is more surprised than her when she makes the snap decision to run away to the Greek island of Crete, armed only with her passport. It turns out to be a brilliant idea. She soon starts working for eccentric novelist Caroline, and meets handsome vineyard owner Tom. And who couldn't be charmed by the picture perfect island of Crete, complete with sea-front tavernas and sun-drenched olive groves?

But soon there is trouble in paradise. As Ria gets to know Tom better, she unwittingly uncovers a tangled web of secrets, and a truth that someone will do anything to keep hidden. What's more Ria carries her own secret, her own sadness about her past love, and as she and Tom grow closer will this stop her from grabbing her own chance at happiness with both hands?

Sometimes running away is how you find yourself ...

A wonderful romantic read, perfect for fans of Miranda Dickinson and Lucy Diamond, about having the courage to follow your heart and fall in love again.
