Bear Naked Seduction: Paranormal Romance (Billionaire Bear Trio Series Book 1) Audrey Storm

Three sexy billionaires. One bear naked truth.

I've just about had it with writing stupid, cutesy articles to get my journalism career going. I wanted adventure. I wanted to see the world. I wanted to be the hero for once.

Then I got the opportunity of a lifetime—investigating the Billionaire Trio: Hank Bennet, Reed O'Connor, and Fernando Vergara. **Three filthy-rich, mega-hot bachelors** known for getting into trouble—and this time, they've been caught illegally owning a bear.

So I hopped on the first plane to Victoria, Canada to meet Hank, the **cocky party-boy womanizer** of the Trio. Luckily for me, it didn't take much to seduce him into giving me what I wanted. But boy, did things get rough and... *wild*.

It turns out that this is about so much more than just a pet bear. And I'm not going to stop until I get to the **bare-naked truth...**
