Crash Course Endocrinology: Updated Print + E-book Edition, 4e Ronan O'Neill MBChB, Richard Murphy MBChB (Hons)

Crash Course - your effective every day study companion PLUS the perfect antidote for exam stress! Save time and be assured you have all the core information you need in one place to excel on your course and achieve exam success.

A winning formula now for over 15 years, each series volume has been fine tuned and fully updated, with an improved layout tailored to make your life easier. Especially written by senior medical students or recent graduates - those who have just been in the exam situation - with all information thoroughly checked and quality assured by expert faculty advisers, the result are books which exactly meet your needs and you know you can trust.

Each provides an integrated approach to the subject by linking together topics such as anatomy, development, histology, physiology and pharmacology. Diseases and complaints, clerking, clinical assessment and examination, common skills and further investigations are also covered.

Commencing with clear 'Learning Objectives', every chapter guides you succinctly through the topic, giving full coverage of the curriculum whilst avoiding unnecessary and often confusing detail. A fully revised self-assessment section matching the latest exam formats is also included. In this edition, Crash Course Endocrinology has been carefully revised to further reflect the requirements today's medical curriculum, including enhanced coverage of the essential area of diabetes.

- More than 130 illustrations present clinical, diagnostic and practical information in an easy-to-follow manner
- Friendly and accessible approach to the subject makes learning especially easy
- Written by students for students - authors who understand exam pressures
- Contains 'Hints and Tips' boxes, and other useful aide-mémoires
- Succinct coverage of the subject enables 'sharp focus' and efficient use of time during exam preparation
- Contains a fully updated self-assessment section - ideal for honing exam skills and self-testing

- Self-assessment section fully updated to reflect current exam requirements
- Contains 'common exam pitfalls' as advised by faculty
- Crash Courses also available electronically!
- Online self-assessment bank also available - content edited by Dan Horton-Szar!

The (printed) 'Updated Edition' now comes with added value access to the complete, downloadable eBook version via Student Consult. Search, read and revise whilst on the move and use the interactive self-assessment to test your understanding. *Crash Course* - a more flexible, practical learning package than ever before.

Now celebrating over 10 years of success - Crash Course has been specially devised to help you get through your exams with ease.

Completely revised throughout, the new edition of Crash Course is perfectly tailored to meet your needs by providing everything you need to know in one place. Clearly presented in a tried and trusted, easy-to-use, format, each book in the series gives complete coverage of the subject in a no-nonsense, user-friendly fashion.

Commencing with 'Learning Objectives', each chapter guides you succinctly through the topic, giving full coverage of the curriculum whilst avoiding unnecessary and often confusing detail. Each chapter is also supported by a full artwork programme, and features the ever popular 'Hints and Tips' boxes as well as other useful aide-mémoires. All volumes contain an up-to-date self-assessment section which allows you to test your knowledge and hone your exam skills.

Authored by students or junior doctors - working under close faculty supervision - each volume has been prepared by someone who has recently been in the exam situation and so relates closely to your needs. So whether you need to get out of a fix or aim for distinction *Crash Course* is for you!!

From reader reviews:

Dewayne Campbell:

What do you consider book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Merely you can be answered for that concern above. Every person has various personality and hobby for each and every other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book Crash Course Endocrinology: Updated Print + E-book Edition, 4e. All type of book would you see on many resources. You can look for the internet sources or other social media.

Chris Barrentine:

People live in this new day time of lifestyle always aim to and must have the free time or they will get wide range of stress from both way of life and work. So , if we ask do people have free time, we will say absolutely without a doubt. People is human not just a robot. Then we request again, what kind of activity have you got when the spare time coming to an individual of course your answer will unlimited right. Then do you ever try this one, reading publications. It can be your alternative within spending your spare time, often the book you have read is actually Crash Course Endocrinology: Updated Print + E-book Edition, 4e.

David Rivera:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Crash Course Endocrinology: Updated Print + E-book Edition, 4e can make you truly feel more interested to read.

Rosie Zimmerman:

What is your hobby? Have you heard that will question when you got students? We believe that that question was given by teacher to their students. Many kinds of hobby, Everybody has different hobby. And also you know that little person similar to reading or as reading through become their hobby. You must know that reading is very important in addition to book as to be the point. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update about something by book. Numerous books that can you choose to adopt be your object. One of them is Crash Course Endocrinology: Updated Print + E-book Edition, 4e.
