## F.U.B.A.R. CD Sam Seder, Stephen Sherrill

The United States has survived clueless presidential administrations before. But no matter how enormous the crisis -- the Great Depression, Vietnam, Watergate, Monica Lewinsky's thong -- America's always come out looking like, well, America.

This time, however, something's different. Things aren't just screwed up; they're *f&#!\$d up beyond all recognition*. Wel-come to *F.U.B.A.R.*, a hilarious and scathing satire of the American Right's bad behavior, by the creators of Air America's *Majority Report*.

If you're a liberal who's somehow not panicked over the state of our Union, or if you're a Republican who's just having voter's remorse, or if you think what's happening to the country is just politics as usual, *F.U.B.A.R.* will open your eyes to our current national nightmare. With completely unfair and unbalanced analysis, authors Sam Seder and Stephen Sherrill take readers on a whirlwind tour of what's left of the United States, exposing the truth about the Right's blueprint for total domination -- over your money, your mind, your sex life, and even your place in the afterlife (yes, they have a plan for that, too).

Along the way, they'll answer your most pressing questions, like:

- I'm gay. Can I still be a Republican?
- Do I need to own my own congressman, or is a time share okay?
- Is *New York Times* columnist Thomas L. Friedman's mustache, in fact, the sign of the Beast?
- I thought we ran the media. What happened?

Finally, Seder and Sherrill offer a helpful and hopeful vision for a future that remarkably doesn't look like a cross between the Matrix and Mayberry. *F.U.B.A.R.* is the wake-up call America has been waiting to receive -- and it will probably be wiretapped.
