As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know
