**Imperial Guard Infantry and Artillery (Napoleon's Last Army)** Paul Dawson, Dana Lombardy

This is a groundbreaking series of books in English by author, re-enactor, and equestrian Paul L. Dawson that use thousands of pages of French archival documents, translations of more than 200 French eyewitness accounts, and dozens of new paintings by Keith Rocco to tell the story of Napoleon's final military operations and his defeat at the battle of Waterloo. Napoleon's Last Army (NLA) is the most comprehensive study ever made of the French army in 1815, using primary source information that provides new insights into this famous campaign. NLA will expose persistent myths and errors about the French forces at Waterloo and in the campaign of 1815.
