My Big Fat Gay Life Brett Kiellerop

Brett's first novel is a drama, yet it has a dark vein of humour threaded throughout. It contains outrageous situations, characters that will either make you scream or cry, and a cute puppy.

My Big Fat Gay Life is a trashy, blow-by-blow tale about a group of quirky friends. It contains twenty-one pivotal days in the lives of the friends, stretched over a period of several years. The story is told by interwoven first-person narratives, and is definitely not a tale for the kids!

The central character is Sebastian Parker, a psychiatrist struggling to find his way. Follow Sebastian, his family, and his friends as they navigate the river of life. The members of the group suffer tragedy, heartbreak, and loss through a series of life-changing events, yet they manage to hold onto their humour by desperately clinging onto each other.

Immerse yourself in the drama, melodrama, and drama queens.
