Baby and toddler firsts are always cause for celebration. This Sesame Beginnings board book highlights several firsts, among them: smiling, waving, speaking, walking, and getting a haircut—each of which is another developmental step on the path to becoming a big kid! Little ones are encouraged throughout to remember their own first times, or to ask the adult reader to help them visualize it. A touch-and-feel element that simulates the trimmings of Baby Grover's first haircut adds to the interactivity.
