A Whisper of Armageddon - YA Edition: Young Adult Edition Leigh Barker

The Young Adult Edition - As thrilling as the Adult Edition, but edited with the younger reader in mind.

Harry Thorne is a Marine Sniper. He's a hero and a tough-guy with a knack for getting himself into trouble — and taking his friends with him. As usual, his last mission didn't work out the way it should have and he got himself blown up... a bit. Oh, and shot—twice. Now walking with the aid of crutches, Harry thinks his life as a marine sniper is over. He's wrong. Shaun O'Conner is a sergeant with the Serious Organised Crime Agency but still catches the graveyard shift, watching a drug warehouse and waiting for something to happen. But when it does, it happens so fast he finds only bodies. Curly Sue and Big Betty have brought little Tweetie Pie along as muscle on the drug buy for their boss, Patrick O'Conner. Shaun's hated brother. Tweetie is wearing a blouse and calf-length white trousers accentuated by a dainty gold ankle bracelet. And he has a machinegun. These loose threads are drawn inextricably tighter by the arrival of the president of the United States, in London for a international conference. Harry discovers that the landing of Airforce One has coincided with the arrival in the city of three Cheytac Intervention sniper rifles, the finest long-range sniper rifles in the world. Patrick O'Conner wants to move up in the world, and gets his chance when the Russian, Valentin Tal, and three snipers arrive in London. To collect their rifles. Harry and Shaun must work together if they are to have any chance of stopping a politically devastating crime — the assassination of the president of the United States on foreign soil. 5 * Reviews: 'Just an absolutely outstanding read. ...I thought the book was written for a screenplay and was expecting Tom Cruise to cruise in and take up a role...' '...I have to tell you its better than any of the recent thrillers that I have paid nine to fifteen dollars for. It's a page turner that I could not put down, and I would buy any book this guy writes' '...this book is a really great thriller type novel. I would recommend this book to everyone.'

Clifford Hudgins:

People live in this new moment of lifestyle always aim to and must have the free time or they will get large amount of stress from both daily life and work. So , whenever we ask do people have time, we will say absolutely indeed. People is human not a robot. Then we request again, what kind of activity have you got when the spare time coming to you of course your answer will probably unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, the book you have read is usually A Whisper of Armageddon - YA Edition: Young Adult Edition.

Shawn Martinez:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country.

Therefore , this A Whisper of Armageddon - YA Edition: Young Adult Edition can make you experience more interested to read.
