"All Hallow's Eve: Silent Night" is a prequel to my first book "All Hallow's Eve: Revised Edition." While the first one tells the story of a couple who moved into a haunted home that was previously the land of a halloween attraction, this one tells the story of how the house became haunted.

In the mid 1990's, John and Alicia Winthrope live happily in the country with their six-year-old daughter, Emily. For awhile, they live as a happy family who is expecting another addition because Alicia is pregnant. But when John makes a deal with the devil, which he believes to be nonsense at first, Emily starts leaving a trail of tragedies everywhere she goes.

Now, the couple fears that their lives may be in danger if they continue to live with this demonic presence that seems to be taking over their young daughter. As things in the Winthrope household become more tense as each day passes, John and Alicia try to figure out what they must do to save themselves and their unborn child from meeting a horrifying fate.

As the days and nights pass and more people around Emily die, secrets are revealed that could harm the rest of the family. Will they save themselves before it is too late, or will John and Alicia also die because of Emily? To find out, read "All Hallow's Eve: Silent Night."
