America's Galactic Foreign Legion - Book 2: Reenlistment (Volume 2) Walter Knight

Decorated war hero, or war criminal guilty of atrocities? It depends on who's passing judgment on ex-legionnaire Joey Czerinski. The story of this lucky gambler turned soldier turned casino boss picks up as he and his business partner, Manny Lopez, find themselves broke and devastated after their business holdings are completely destroyed by continuing spider insurgent activity. Hidden deep underground, beneath the rubble of their once profitable casino, is a big, big secret that could solve their sudden financial problems, but neither Czerinski nor Lopez can figure out how to drum up the manpower and funding to unearth it. Forced to find a quick source of money for a loan, Czerinski and Lopez are lured back to the Legion by their old friend, the slick-talking legionnaire-recruiting ATM. And then the real trouble begins... Follow Czerinski and his pals through their ups and downs and continual serendipitous surprises in the next installment of this ongoing satirical, politically incorrect, sweeping military space opera.
