Blueprint to California's Prevailing Wage: A Contractor's Guide Western Electrical Contractors Association

California public works contractors have long grappled with prevailing wage law. Compliance requires understanding and applying a complex set of legal statutes that are ever changing—and California is often singled out as having the most complicated set of prevailing wage requirements in the nation.

Blueprint to California's Prevailing Wage guides readers through California prevailing wage compliance beginning with basic introductions, up through advanced sample wage calculations. This new eBook is intended for audiences at all levels, regardless of prior knowledge, from the novice to the experienced professional, contractor to office staff.

Blueprint to California's Prevailing Wage is unlike any other prevailing wage text. Learning is made as painless as possible, and is facilitated throughout by a rich visual presentation, engaging infographics, and an interactive design. Instead of quoting the inaccessible language of case law, we bring the law to life through a graphic-rich presentation—helping readers to more easily learn and retain information about their prevailing wage obligations. Topics include: new registration laws, debiting already paid benefits, calculating predetermined increased, footnotes, holiday pay, and much more.
