This book unlike any other publication, supplies the know-how for country music fans to see and meet their favorite country stars as they never have before! Author Ray Dobbs, who is 'not' a country music insider, will show you how to get front row seats at country music concerts, meet most of your favorite country artists backstage, get tickets to Fan Fair in which over 100 country stars perform for free and conduct autograph and photo sessions with fans! He will also show you how to get invitations for private parties hosted by most country stars! The book will also show fans: how to get tickets to nationally televised country music events; how to get permission to video tape your favorite country star's concert performance; how to get tickets to dozens of country music festivals around the country; how to get preferential seating at dozens of venues throughout the U.S.; how to join your favorite country star's fan club by providing a comprehensive listing of the mailing addresses! And Much, Much More!
