Immortality is accessible to everyone. Vol10. (Iissiidiology. Commentaries to Fundamentals) Oris

The Universal Knowledge given by Oris offers the fundamentals of a new and unique world view for all of us. It allows us to penetrate the mystery of eternal existence to an extent inaccessible before, reasonably and substantially solving the problems therein, offering convincing answers which are not available in any religious world view, philosophical movement or scientific theory. Oris' Information expands the limits of human experience and perception literally to infinity!

IISSIIDIOLOGY is a deep synthesis of high-quality spiritual thinking and coherent, rational scientific analysis. Oris explains with appropriateness the unusual form in which he presents this systematic Knowledge: before we can reach and understand the deepest layers of the truth expressed in complex wording, everyone will have to free themselves from all previous limiting conclusions and conceptions, thus allowing more intensive flows of the newest information into one's self-consciousness to form in it totally new, high-quality goals and objectives that until now have been considered fantastic and absolutely unachievable.
