Take Two!: A Celebration of Twins J. Patrick Lewis, Jane Yolen

Know some twins, or expecting to? This twinspired collection pairs poems and pictures in a lighthearted salute to the many twins among us.

Old twins, new twins, famous twins, not-at-all-alike twins, side-byside twins, let's play twins, not-yet twins, mirror twins — all kinds of twins! — come together in a collection of original poems by two of our most celebrated authors for young people: J. Patrick Lewis and Jane Yolen. From a wave and a wink to a twin switcheroo, from a rocket to the moon to the old woman who lived in a shoe, these poems and mini facts, whimsically illustrated by Sophie Blackall, will leave even singletons with a twinkle in their eyes. Here is the perfect book to share with the twins in your life — and everyone who loves them.
