We're Gonna Die

Young Jean Lee

We're Gonna Die Young Jean Lee

"Sly, weird, and thoroughly winning . . . Bracing, funny, and, yes, consoling."—*The New York Times*

"Young Jean Lee will give you whiplash. Her ability to stake out aesthetic territory and then abruptly abandon it makes her unpredictable; her tendency to excel at each new genre makes her terrifying. In the enormously touching cabaret-style *We're Gonna Die*, Lee jettisons everything that has armored this *au courant* young playwright against the world. . . . Lee purchases our hearts with her bravery's own coin."—*Time Out New York*

Inspired by her personal experiences with despair and loneliness, the Obie Award–winning playwright–provocateur and her band Future Wife create a life-affirming show that anyone can perform, about the one thing everyone has in common: we're all gonna die. Each book includes a CD of all six songs and eight monologues performed by David Byrne, Laurie Anderson, Adam Horowitz, and others.

Young Jean Lee has been hailed as "one of the best experimental playwrights in America" by *Time Out New York*. She has written and directed nine shows in New York with Young Jean Lee's Theater Company and toured her work to over twenty cities around the world. Her other plays include *The Shipment*, *Lear*, and *Songs of the Dragons Flying to Heaven*. Awards include two Obies, the Festival Prize of the Zuercher Theater Spektakel, a Prize in Literature from the American Academy of Arts and Letters, a Guggenheim Fellowship, and a Doris Duke Artist Award.

From reader reviews:

Genoveva Johnson:

As people who live in the particular modest era should be up-date about what going on or info even knowledge to make all of them keep up with the era which is always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice in your case but the problems coming to you actually is you don't know what one you should start with. This We're Gonna Die is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Theresa Walker:

Nowadays reading books become more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want send more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining including comic or novel. The We're Gonna Die is kind of book which is giving the reader erratic experience.

Myron Mendez:

Reading can called head hangout, why? Because if you find yourself reading a book especially book entitled We're Gonna Die your head will drift away trough every dimension, wandering in most aspect that maybe unknown for but surely might be your mind friends. Imaging just about every word written in a reserve then become one form conclusion and explanation that maybe you never get ahead of. The We're Gonna Die giving you a different experience more than blown away your brain but also giving you useful details for your better life in this particular era. So now let us show you the relaxing pattern here is your body and mind is going to be pleased when you are finished reading it, like winning a game. Do you want to try this extraordinary paying spare time activity?

Elaine Woodring:

We're Gonna Die can be one of your nice books that are good idea. All of us recommend that straight away because this book has good vocabulary that can increase your knowledge in vocabulary, easy to understand, bit entertaining but still delivering the information. The author giving his/her effort to get every word into delight arrangement in writing We're Gonna Die although doesn't forget the main place, giving the reader the hottest as well as based confirm resource facts that maybe you can be one among it. This great information can easily drawn you into fresh stage of crucial imagining.
