'Our thoughts are a magic part of us, and they carry us to places that have no boundaries, and no limitations' In this bestselling thought-provoking book, Dr. Wayne Dyer stretches beyond self-help to self-realisation. To do so, he embarks on a journey to activate our minds and shows us how to transform our lives by using our thoughts constructively: in other words, how to focus on a belief and see it. Using anecdotes and examples, writing with wit and compassion, and drawing on his own amazing life story, Dr. Dyer has, once again, written an inspirational self-help book that explores how to achieve personal transformation through the visualisation of thought- and teaches us that believing is seeing.
