**History of Education in America (9th Edition)** John D. Pulliam, James J. Van Patten

This popular book provides future teachers a solid foundation in the history of American education, from its roots in European tradition, through the colonial period, to the challenges of the twenty-first century. Redesigned to highlight historical information throughout the book. Here are all of the important people, places, dates, events, and movements; along with a capsule presentation of the underlying principles of educational practice and straightforward, nonjudgmental coverage of all of the current controversies within our educational system. For future teachers.
