Many people have found The People's Bible to be the most reliable Bible commentary series published. It's the laypeople's Bible—down to earth, clearly written, easy to read and understand, filled with practical and contemporary applications. Each volume includes that book's complete text from the NIV Bible. The Christ-centered commentaries following the Scripture sections contain explanations of the text, historical background, maps, illustrations, and archaeological information. The People's Bible commentaries are great for personal or group study.

Revelation provides believers with a beautiful assurance of Christ's final victory. The seven visions the apostle John records in Revelation describe the ongoing struggle between Christ and Satan. In these visions God assures believers that they will have eternal victory in the new Jerusalem above and that Satan finally will be defeated.
