Good Girls go to heaven. But Jet-Set Temptresses go everywhere.

Miss Melisse is a high-priced call girl at the top of her game. She's a sweet, smart and sassy vixen who always leaves them wanting more. AND she's sharing her advice and success secrets with you, here...Melisse is more than a beautiful woman living the life of a modern courtesan. Even while satisfying the needs and desires of men who seek her out for sex, fantasy fulfillment and faux friendship, she secretly yearns to experience true love. She is also driven by a singular vision: to start La Fantasia--a luxurious, secret spa retreat--where women can relax and safely know pleasures beyond their wildest dreams with men they've only fantasized about...Can she find real love--and fulfill her dreams--while navigating "The Life?" Part 1 in the Spicy Secrets Series: Learning The Life: In this coming of age story, young Melisse must suddenly survive on her own in the big city. She learns the nitty gritty of the old bump and grind in seedy strip joints before graduating to a deluxe 'finishing school' for ladies of the evening--a luxurious and discreet NYC bordello--where she learns the skills and subtleties of seduction. There she meets a mysterious madam/mentor named GG who inspires her to pursue a special goal...and she befriends a sexy new partner-in-crime named Shishapuss. With experience and some upgrades, she quickly becomes a sought-after and sensual independent entertainer holding court in Manhattan and traveling the world with her well-heeled clients (and playing with spicy hotties in her spare time). While craftily juggling a colorful portfolio of rich, kinky and needy men (and one wily Middle-Eastern Sheik) she runs into the irresistible Brahim, a charismatic and fun-loving smarty pants with spicy secrets of his own. When sparks fly and love is ignited, this hot new guy might just be the greatest love of her life. Their first kiss has already got her wondering: Is there more to life than turning premium tricks?...And should she spare him a little of her (expensive) time?
