In a world governed by unspoken rules, one young woman is about to break them all . . .

Dutiful Jessamine Barry is tired of waiting patiently for a man to decide her future. So even though Lancelot Marfleet, second son of an aristocrat, is taking an interest in her during the London season, she refuses to consider him as a suitor. Instead, she's ready to take fashionable society by storm--and finds a rakish young man all too willing to help her do it.

Can Jessamine trust her heart to lead her to a love that proves true through thick and thin? Or will her rash actions close the door on the life she really desires?
