Alfonso Reyes

Autobiografía (Spanish Edition) Alfonso Reyes

Autobiografía es un libro en el que Alberto Enríquez Perea reúne los escritos autobiográficos de Alfonso Reyes que habían aparecido dispersos en los veintiséis volúmenes de sus Obras completas. Estos textos autobiográficos son un conjunto de experiencias múltiples a lo largo de la vida del autor que nos remiten a su infancia, a la convivencia familiar con sus padres, a su formación académica como abogado, como escritor y poeta, a su estancia en París como secretario de la Legación de México, a sus viajes por el mundo, a sus relaciones con otras figuras públicas, etc. Los veintidós ensayos (fragmentos y textos breves) contienen pasajes cargados de información relevante para entender las ideas e inquietudes que Alfonso Reyes tuvo a lo largo de su vida.
