Enten, the god of winter, has spent centuries avoiding rejection from women. He might be cold to the depths of his very soul, but one woman—his Chosen—holds the key to melting his permafrost. To keep her, though, he must embrace the heat sweeping through his heart—and his body. Unfortunately, he and the group of gods he calls brothers are trapped on Earth's plane by a malevolent force that could bring violence to her doorstep. Gloria Wingfeather lived through hell, physically and emotionally singed by the viciousness of her ex-husband. For years, she's dedicated her time and her heart to making a life for herself. The sexy god of chill has the potential to heal those charred wounds or to set her ablaze with passion.
