I AM, the newest children's book by Dr. Wayne W. Dyer, is taken from his latest book for adults, *Wishes Fulfilled*. I AM teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God—we are God! Knowing that God's love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words I am to create love, happiness, and greatness in their own lives and the world
