Light of the Eternal Lillian DeWaters

From the first page to the last, *Light of the Eternal* reveals the Truth about every person's real identity and the enormous opportunities available right now to those who accept this Truth. The author makes it clear that the mortal existence with all of its limitations and problems can be risen above. This higher state of being I Am That I Am is our destiny and she shares how this may be accomplished in the world. Much more than just being the title for this book, *Light of the Eternal* is an experience. Throughout the book the author reveals the option to accept the *Light of the Eternal* as our destiny, which has been waiting for everyone who is ready to receive it. In a sense, the message of the book is a divine invitation and it is priceless. The way of life being presented to everyone as a choice cannot be described or compared to what is thought of as human existence. The experience of this new life is one of beauty, love, purity and is, to a great extent, free of the discords, lack and battles of good and evil. The book reveals the way to this existence comes only through the heart. "With the heart one loves the Real as It is. Light pervades his whole existence. He walks in the kingdom of the Self where freedom, love and bliss forever abide." — Lillian DeWaters
