A STAND ALONE ALIEN ROMANCE!!!

Four Lettered Cliché

My entire life, I never stayed anywhere long enough to leave a footprint. But that was before I met Xam.

For as long as I can remember, love was a four-lettered cliché. Love would send many of the greatest people who ever lived into a downward spiral. And I am not just referring to romantic love. I am speaking on a higher level generalizing every variation of the word.

Love toys with emotions and plays with your mind. People do terrible things when they fall in love. That is why I vowed to be nothing more than tolerable.

If you don't give anyone a reason to expect anything of you, they won't. Or at least that is what I thought until I fell into that nasty four lettered cliché.

The problem: I had no idea how to love anyone let alone someone from an alien planet.

Xam was different. From the moment that I first laid eyes on him I knew there was more than what appeared on the surface. But this was the point where my life started plummeting into its inevitable downward spiral.

This content contains hot romance with some scorching sex scenes, adult language and possible violence. Only for 18+!
