A Standalone Short Story with No Cliffhanger!

Laura ran away to escape her past, and now she lives in a crappy apartment, and works in a dive bar. It isn't ideal, but she's working towards something better, desperately hoping that her past doesn't catch up to her in the process.

But of course, people in hiding have to come out to play eventually!

Mac loved Laura from a very young age, and it devastated him to see her fall for another boy in the neighborhood – Fenton. But their relationship was wild, and messed things up big time. Things went badly wrong, and she ran away from her life. With a sudden hole in their lives, Mac and Fenton joined the Stallions – a local motorcycle club.

One day, fate puts the three of them together again, after many years apart. Only this time, Mac doesn't intend to let his rival win her heart. He wants her for himself, and nothing will stop him.

As the competition heats up, and starts to lose control; Laura, Fenton, and Mac find themselves teetering dangerously down a crazy, explosive road, and none of them know where it's going to end.
